Performance numbers are net of all Fund expenses but do not include those fees charged directly to your Foundation account.

Current Yield is the sum of unit income for last 12 months/Current Unit Value.

The Fund's investment objective is to provide current income with some potential for growth. It is invested in four different market segments or Foundation Preference Funds (click here) designed to achieve this objective, namely core bond, high yield bond, domestic equity, and international equity.

The current allocation target is 17.5% core bond, 32.5% high yield bond, 32.5% domestic equity, and 17.5% international equity.

The allocations may be adjusted from time to time as determined by the Foundation.
