

How Will Your Children Manage Their Inheritance?

As a parent one concern that you may have is how your children will manage their inheritance. There are many stories of heirs who have squandered their money almost like the prodigal son lesson that Jesus taught in the Bible. In the book of Ecclesiastes, King Solomon bemoaned the fact that his heirs would inherit property that they had not worked for.

The LCMS Foundation has developed charitable trusts that can provide a series of regular income payments to your heirs instead of a large lump-sum amount. These trusts also provide a way to make gifts to the ministries that are important to you.

This information is provided to help you create a Lifetime Plan for Giving™ that provides for the people you love and ministries you care about.
